The iParenting Media Awards Program provides a credible and objective method of determining the best products in the marketplace and then honors them with the most prestigious consumer award.

The iParenting Media Awards is the only consumer awards program certified by ISO 9001:2000, the internationally recognized standard of quality assurance. Our reviewers are a diverse set of parents, experts, licensed childcare centers and schools nationwide. We will provide you with reviewer feedback and offer you the opportunity, at no additional cost, to ask our reviewers a customized question concerning your product.

iParenting Media Award winners are promoted to millions of consumers and thousands of trade professionals, including retailers, through our Web sites, print vehicles, video, podcasts and radio show. In addition to our media assets, our executive team is routinely interviewed and we often highlight IPMA award winners on TV, radio and in print.
